## EXAMINATIONS IN DECEMBER

As Dawn Myer is coming to the Lower Mainland to examine acrobatics, we have an opportunity to share expenses and hold a December exam session. Due to low numbers we had to cancel our January session this year and risk the same thing happening in 2011. This is an great solution to keep cost down and still offer mid year exams to those who are interested!

**Please confirm by June 30th if you will have students who will be ready for a December session!**

**No exams in January 2011, we will reassess for January 2012.**

## WORKSHOP OPPORTUNITY

It has been suggested that we invite Yuval Beck from Israel once again to do Tap Workshops. I would appreciate feedback on this.

**Have a great exam session everyone, and a restful summer!**
