## **January 2008 Exam session**

Exam entries **MUST** be received on or before **October 31st 2007**.

All entry forms and NEW exam entry fees are now available on our web site at:

[www.internationaldanceteachers.com](http://www.internationaldanceteachers.com)

Login: danceteam Password danceTea.

**You can now fill out the forms online and send them straight to our office or print them out and mail them.**

Teachers on the Lower Mainland are reminded to please send their entries fees to Susan Ford.

If any studios are interested in hosting open or syllabus classes with an Examiner, please contact either Margaret or Susan to make arrangements. The fee for an Examiner is \$100 per hour and any extra money raised beyond this amount will go directly to the studio. This is a great opportunity for studio owners and their students.

Any Teachers who are not-up-to date with there annual subs will not be able to enter students for exams!

Which brings us to.....

### **Sub Fees!**

At our Annual General Meeting in January, we discussed raising subscription fees, as well as, having the subscriptions due in September, rather than January. As September is the beginning of our year, this makes sense.

**Subscriptions of \$80 will now be due this September and will be valid until September 2008.**

**Subscription fees for 2008 will be \$100 per year.**

By comparison, our subscription fees are still **WELL** below other dance associations.

**Please note** inactive teachers who wish to reduce their subs while not teaching must supply a letter stating reason and duration of inactiveness. Inactive price will only be given to teachers who are not working in the field of dance at all.
